Re: Michael Anthony Lucarelli
14 CR 00632 (JMF)

Dear Judge Furman:

This is to advise that the trucking school to which Mr. Lucarelli expected to enter at this time has rescinded its invitation because of his impending incarceration. They will revisit the invitation at the time of his release.

Accordingly, Mr. Lucarelli is ready to surrender for service of his sentence at any time fixed by this Court. He respectfully asks the Court to recommend Yankton, South Dakota or Duluth, Minnesota as suitable venues for any BOP drug treatment program for which he is eligible and for appropriate medical care for Crohn's Disease.

Respectfully,
